

Grade 5/6 Ms. Rachelle Levangie and Mr. Ryan Moody

Program Overview

Ms. Levangie will be teaching English Language Arts (ELA) for the first hour of each day and Mr. Moody will be teaching a smaller portion of ELA and the remaining classroom subjects throughout the rest of each day.

Students in Grade 5 and 6 will learn Science, Social Studies, Health, Visual Arts and Information Communication and Technology in a program integrated within the English Language Arts and Mathematics curriculum.

Assessment and Evaluation Strategies for Student Learning

Students in Grades 5 and 6 will be assessed on a daily basis through in-class conversations, observation of their class participation and activities as well as their written and created classwork. Ongoing student assessment will assist both students and staff to understand their prior learning and to address any areas where additional support or learning is needed to meet outcomes.

Report Cards

Report cards will be provided to students/parents three times a year to communicate student learning, as well as development of social skills and work habits.

Expectations for Learning Success

To help ensure each student is given the opportunity to learn in a safe environment, which nurtures each individual's personal, social and academic growth, students are asked to meet the following expectations:

- Produce quality work while completing classwork
- Interact positively, resolve conflicts appropriately and accept responsibility for own actions
- Arrive on time and be prepared for class
- Follow instructions/directions/rules and routines
- Respect school property and the property of others
- Work collaboratively and independently while using time efficiently

Homework

When homework is provided in Grade 5/6, it will:

- practice foundational skills in reading, writing and mathematics (e.g., reading for pleasure, educational games)
- gradually introduce time to practice or apply learning in other subject areas
- promote healthy growth and development (e.g., practicing physical skills, interviewing family members)

Communication

Hilden Elementary School Students' education is a partnership between home and school. Ms. Levangie and Mr. Moody will value your input and feedback and will be reaching out to you by phone and/or email soon (if we have not already had the opportunity to meet you at our Meet the Teacher session on September 1st).

Teachers will have ongoing communication with parents through the school agenda (blue duotang). Please check daily for any information that we have sent. Agendas will be checked at the beginning of each school day by the classroom teachers for bus notes, cafeteria orders or other information.

At any point during the school year, please feel free to contact either Mr. Moody or Ms. Levangie to provide any information, ask questions or to offer feedback by email:

Ms. Rachelle Levangie - levangiehe@ccrce.ca

Mr. Ryan Moody - moodyrr@ccrce.ca

If you have any questions that require a short discussion and are better suited to a phone call, please contact either Mr. Moody or Ms. Levangie through the school 902-893-5750 and your call will be returned.

**Mr. Moody and Ms. Levangie are looking forward to a fantastic 2022-2023 school year
with Grade 5/6!!**
